TALIAFERRO:

██████████:

On 06 September 2011, what occurred that prompted you to initiate this complaint?

What happened was, I was at my neighbor's house, which is directly to the south of me. Only the alley separates our two houses. The incident happened on September 5<sup>th</sup>, and carried into September 6<sup>th</sup>. We were at the neighbor's house with some family members. We had some people over and we were wrapping things up and I was helping people clean up. At that time it was my neighbors, ██████████, ██████████, and his brother in law ██████████, were cleaning up for the night when an unidentified male came into ██████████' yard. Came into the yard and was just verbally starting a fight. He came into the yard... he entered the yard and started a verbal fight.

TALIAFERRO:

██████████:

Had you ever seen this person?  
No.

TALIAFERRO:

██████████:

Do you know ██████████ address?

██████████

TALIAFERRO:

██████████:

About what time did this person enter the yard?  
Sometime before midnight, between 11 and midnight.

TALIAFERRO:

██████████:

Continue?  
An unidentified male entered the yard completely unprovoked and started a verbal confrontation. He then exited the yard and began to walk east down the alley north of ██████████. He got approximately 100 yards, turned and continued walking north down the alley between ██████████ and ██████████.

TALIAFERRO:

██████████:

When he left the yard, who followed him?  
None of us.

TALIAFERRO:

██████████:

How did you know the direction in which he took?  
When he walked out the yard, the three of us looked at each other in bewilderment. Approximately 5 seconds later we looked out of the alley to see where he had went.

TALIAFERRO:

██████████:

Continue?

We saw the individual stop approximately three houses from where he had turned. We didn't follow the individual.

We spotted him because the view from my house and my neighbor's house is clear to the residence he stopped at.

When the individual stopped at this residence, the garage in the alley is facing west and was open with approximately 15 individuals occupying and outside of it. The three of us then proceeded over to the residence because the gentleman who owns the residence is an acquaintance of mine.

TALIAFERRO:

██████████:

What is this gentleman's name?

██████████.

TALIAFERRO:

██████████:

Do you have address and phone number for him?

I do not have that information.

TALIAFERRO:

██████████:

Can you call me this week with the information?

Hold on I do have his address. ██████████

TALIAFERRO:

██████████:

Can you call me this week with his phone number?

Yes.

TALIAFERRO:

██████████:

Continue

When we approached the garage, we notified ██████████ that one of his attendees had come onto my neighbor's property and was verbally harassing us. We then returned to the alley between my residence and ██████████. As the three of us were standing in the alley saying goodbye, ██████████ walked down to us, to where we were standing and thanked us for acting like "gentlemen" and not notifying the police because his attendees were minors. As he was talking to us, three or four of the individuals walked south down the alley to where they could see us and continued to verbally...started a verbal confrontation. Then they proceeded to walk east down the alley parallel to ██████████ and north down ██████████. At this time, I proceeded to walk east down the alley to see where they going or what house they were

entering because I was going to call the police at this point.  
I proceeded to walk north down [REDACTED] approximately two houses, when I spotted two individuals running between a minivan and a house.

TALIAFERRO:

[REDACTED]:

Was there anyone with you?  
No

TALIAFERRO:

[REDACTED]:

Where was everyone else?  
They were still standing between my house and my neighbors.

TALIAFERRO:

[REDACTED]:

Continue?

As I proceeded towards that house to get the address, an individual who was hiding...an individual was sitting behind a corner of a car who got up and then struck me in the face. After the individual struck me in the face, he then came towards me at which time I struck him in the top of the head. While he ~~was running~~ <sup>came up</sup> towards me, he called out an unidentified individual's name, which I don't remember.

At that point I was holding the individual by the shoulders at about mid chest. I was holding him by the shoulder to stop him, at which time another individual had come out of the driveway and struck me in the forehead. I then fell backwards into the street, which would be the west curb in front of [REDACTED] house. When a third and fourth individual ran from around the side which would be south to north and both kicked me in the head repeatedly. I attempted to get up one more time and was struck in the head again with someone's fist, at which point I fell into the middle of the street and the last thing I remember before being knocked unconscious was someone choking me. Someone had me in a choke hold and another guy was kicking me. The next thing I remember was waking up in the ambulance and being combative with the paramedics because I didn't know where I was and I thought he had his knee in my check, which he didn't. He was just strapping me into a gurney or whatever they call that thing. I have no real recollection of anything else until I woke up in the hospital.

On December 6<sup>th</sup>, I called again I was told again by the same person that there was no new information. I was told again that it would take six to eight weeks. And that being that there were two holidays between when I had filed, that it might take longer. ## VII. CONDUCTING A SUMMARY INVESTIGATION

A. Some case reports received for assignment lack information for follow-up investigation. Experience has shown that a personal visit to the crime scene of such cases seldom leads to identification of new evidence that could aid in solving the crime. Nevertheless, the seriousness of the crime dictates some additional investigative attention. These cases are assigned to a detective for summary investigation.

**B. A detective assigned to summary investigations must keep in mind that among the objectives of his assignment is to show citizens that the Department cares about the crime and the victim. Thus, it is important that the victim be contacted in a timely manner, informed of the actual status of the investigation, and provided an explanation about why the crime is not being investigated by field personnel.**

C. A detective assigned a case for summary investigation will:

1. contact the victim by telephone within forty-eight hours after receiving the assignment;
2. if unable to contact by telephone within forty-eight hours, send a letter by U.S. mail that:
  - a. informs the victim that the case has been assigned for summary investigation;
  - b. provides the detective's name, phone number, and the hours and days when available.

### **Detective Division**

#### **Special Order 97-7**

c. encourages the victim to contact the detective, if there is any additional information that could lead to the identification of the offender.

3. upon contacting the victim:

- a. verify all information contained in the original report;
- b. ascertain if any new information is available that could aid in the identification of the offender;
- c. give advice on procedures to follow to obtain a summons, if the offender is known and the offense is minor.

4. prepare a Supplementary Report recording all substantive information learned in the investigation. If the detective learns of no new information, the results of the investigation may be reported by filling in the boxes on the back of the original case report.

D. If the summary investigation uncovers additional information not reported on the original case report that could lead to the solution of the crime through further investigation by field personnel, the detective will:

- 1. record the additional information on a Supplementary Report;
- 2. submit the copy of the original case report and the Supplementary Report to the case management supervisor for reassignment to a field detective for follow-up.

005<sup>th</sup> District

**FROM:** Officer Michael D. Clifton #9584  
005<sup>th</sup> District/ Area 2 Summons/Warrants

**SUBJECT:** COMPLAINT REGISTER # 1049702

This statement is not being given voluntarily, but under duress. I am only giving this statement at this time because I know I could lose my job if I refuse. This "TO/FROM" report should not be considered a verbatim statement but only a summary of requested information.

R/o was given this report by Sgt West concerning the above Complaint Register number.

Michael Clifton Star #9584, employee number [REDACTED], seniority date 16 June 1986, assigned to the 005<sup>th</sup> District, Area 2 Summons/Warrant office.

Allegation to be addressed:  
The complainant alleges that on 06 December 2010 at [REDACTED] (Warrant Office), he met R/o in the Area 2 Warrant Office and the accused officer failed to inform the complainant's court date regarding an incident recorded under RD# [REDACTED].

On 06 December 2010, were you working in the 005<sup>th</sup> district? If yes, explain in detail in what capacities and were you assigned and what were your responsibilities in that capacity?

Assigned to the 005<sup>th</sup> District, Area 2 Summons/Warrant office. Responsibilities are to assist citizens who come into the Summons/Warrant office who still wish to have a criminal matter brought into misdemeanor court before the Judge of Branch 35 by going forth with a criminal complaint after a Chicago police report was generated in their behalf as a victim of a crime. After obtaining all necessary information from the

Police report and victim, of the named offender, the home address and description of the alleged, put together a packet that will be reviewed by the attending Judge of Branch 35 for his/her approval or rejection.

At any time on 06 December 2010, did you speak to the complainant [REDACTED] regarding a warrant sworn out for the arrest of an offender recorded under RD # [REDACTED]? If yes, state in detail the basis of the conversation.

According to the Chicago Police report that was generated on the behalf of [REDACTED], the report was generated on 06 September 2010. The police officer that responded stated that the offender(s) was unknown with only a slight description. After reviewing the report with [REDACTED] R/o told him with the information that was supplied in the report R/o could not assist him for the lack of information. [REDACTED] went on to state that he did not know the individual(s) who struck him. [REDACTED] returned on 26 October 2010 and supplied R/o with a supplementary report naming [REDACTED] as an offender to his battery case report. A summons packet was prepared and presented to the attending Judge. According to R/o record sheet for 07-10 December 2010, [REDACTED] was mailed a court date for 17 December 2010 to appear in Branch 35. That mailing occurred on the 09 December 2010. (See summons/warrant approved listing information sheet attachment)

Did [REDACTED] call you on numerous occasions requesting to know his court date? If yes, state when the calls were made and the basis of your conversation.

R/o does not recall if he spoke with [REDACTED] on numerous occasions by way of the telephone due to the length of time that has elapsed from 06 December 2010 – 14 March 2012.

Were you at any time during November 2010 and January 2011, assigned as warrant officer in the 005<sup>th</sup> district?

Yes, outside of taking and having a 13B furlough, R/o was assigned as the Area 2 Summons/Warrant officer.

As warrant officer in the district, is it your responsibility to assist a person swearing out a warrant against a known offender of his court date? If no, state in detail your responsibilities in that regard. Also please provide any supporting documents in that regard.

It is not a warrant that a victim/person of a crime is applying for. It is called a summons. (See attachment 2, blank copy) It is the warrant/summons officer responsibility to assist a citizen of a misdemeanor crime that is non domestic and write the packet for the summons application and present it to the Judge of Branch 35 for approval or rejection. Only the Judge of Branch 35 will approve or reject. R/o has no decision in this process. If it is approved the victim would be mailed a letter telling them their summons was approved or rejected. It is the warrant/summons officer responsibility to prepare the letter and submit the letter and addressed envelope to the clerk of the court branch for mailing. Once it is submitted and approved it would then be mailed through the Cook County Clerk of the Circuit Court mailing system, R/o has fulfilled his responsibility.

At any time in November 2010 through January 2011, did you inform [REDACTED] as to how he can find out his court date regarding the warrant he had sworn out against the offender?

If the summons was approved by the Judge of Branch 35, a letter would be sent to him informing him of the court date. If it was rejected, he would have been informed of the rejection by letter. That is what was told to him by the undersigned.

On 06 December 2010, did you fail to inform [REDACTED] as to his court date after he inquired of the date?

R/o does not recall at the present time of this report if he spoke with [REDACTED] on 06 December 2010 and told him that his summons had not been approved by the Judge of Branch 35. If R/o did he would have been told he would receive a letter for court approval or rejection letter in the mail. Either letters would have been mailed to him at the address that [REDACTED] supplied to the undersigned. The undersigned has no control over the clerk's office of Branch 35 or the United States Mail.

  
Officer Michael Clifton, #9584

## INVESTIGATION

On 28 November 2011, the undersigned spoke with the complainant, [REDACTED] regarding this investigation. After explaining the investigative procedure and the mandates of §1-109 of the Illinois Code of Civil Procedure, the undersigned and [REDACTED] scheduled 21 December 2011, at 1600 hours, at which time [REDACTED], who is the legal representative for the victim [REDACTED], will appear at the Bureau of Internal Affairs to provide a statement and sign a sworn affidavit (Attachment #5).

On 21 December 2011, [REDACTED] and his attorney, Katie COTTER, appeared at the Bureau of Internal Affairs for [REDACTED] scheduled interview. [REDACTED] related that on 06 September 2011, he was at his neighbor's house in the backyard when an unknown offender entered the yard and began a verbal altercation with him and his companions, [REDACTED] and [REDACTED]. [REDACTED] related that the unknown offender then left the yard and returned to a party being hosted by [REDACTED] at [REDACTED] residence, which was a short distance from where [REDACTED] and his companions were. [REDACTED] further related that he then went to [REDACTED] residence to notify [REDACTED] that one of his attendees had come onto his neighbor's property and harassed [REDACTED]. [REDACTED] related that as he was speaking to [REDACTED], three or four individuals began verbally assaulting him again, but then walked away and proceeded to walk down the alley. [REDACTED] related that he followed the three to four individuals to see where they were going while [REDACTED] remained behind. [REDACTED] related that he was subsequently attacked by the three to four individuals and was knocked unconscious. [REDACTED] next memory was being placed on a gurney and being attended by paramedics. [REDACTED] related that he did not know what actions [REDACTED] took during the physical assault, but was informed by [REDACTED] that the responding officer, Police Officer Linda COTTON #4498, told [REDACTED] and [REDACTED] to get the fuck out of here or go to jail. [REDACTED] related that he did not know why [REDACTED] were not put on the police report as a witness, but believed that they were not included as witnesses because [REDACTED] father was a retired Chicago police officer. [REDACTED] further stated that he did not know if [REDACTED] even witnessed the battery.

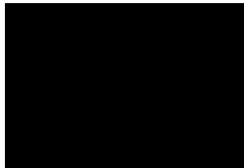

[REDACTED] further related that he contacted Detective Paul SPAGNOLA #21239 regarding the battery and was informed by Detective SPAGNOLA that they did not investigate simple batteries and that if [REDACTED] wanted to take the case any further [REDACTED] would have to go to Area Two to file a warrant for the arrest of the offenders. [REDACTED] then related that he proceeded to file a warrant with Officer CLIFTON and was informed by Officer CLIFTON that the warrant would take six to eight weeks before [REDACTED] would be notified of the court date. [REDACTED] related that he contacted Officer CLIFTON on several occasions and was specifically told on 23 November 2010, that there was no new information on the warrant. [REDACTED] related that on 06 December 2010, he was informed of the same thing. [REDACTED] related that in early January 2011, he returned to Area Two and was informed that his court date was on December 9, 2010, and that because he had missed the court date, the charges were dismissed.

[REDACTED] further reported that he was informed by [REDACTED] and [REDACTED] that one of the individuals involved in his attack had a father that was a police

officer. [REDACTED] related that he did not have information as to how I could contact either witness but would provide me the information by 23 December 2011. [REDACTED] also related that he does not have any specific evidence or information that would substantiate his claim that [REDACTED] were not added as witnesses because [REDACTED] father was a police officer (Attachment #6).

During the interview, [REDACTED] stated that there were witnesses to the incident which necessitated his filing his complaint. [REDACTED] stated that he would provide contact information for the following individuals, which would assist the undersigned in the conduct of this investigation:

- a.
- b.
- c.
- d.

The undersigned requested that [REDACTED] telephonically provide the aforementioned contact information by 23 December 2011. As of this reporting date, [REDACTED] has refused and/or failed to provide the undersigned with the requested contact information. Furthermore, [REDACTED] failed to relate how [REDACTED] is associated with this incident as a witness and therefore, the undersigned has deleted [REDACTED] as a witness.

On 25 January 2012, the undersigned mailed certified letters to [REDACTED] and [REDACTED] requesting that they contact the undersigned regarding this investigation (Attachments #8 and #9).

The undersigned received Domestic Return Receipts from the certified letters indicating that both, [REDACTED] were in receipt of the letters (Attachments #11 and #12).

As of this reporting date neither [REDACTED] nor [REDACTED] have contacted the undersigned.

[REDACTED] alleges that on 06 September 2010, the accused officer failed to list witnesses in a police report that was generated as a result of a battery committed against [REDACTED]. However, [REDACTED] specifically stated in his interview that he was alone when he followed the individuals that subsequently attacked him. [REDACTED] further related that [REDACTED] remained at their previous location between the houses. [REDACTED] related that he did not know what actions [REDACTED] and [REDACTED] took during the physical assault and that he was rendered unconscious during the attack. [REDACTED] further stated that he did not know if [REDACTED] even witnessed the battery. [REDACTED] did not provide the undersigned with any physical evidence to substantiate his claim that the accused failed to list [REDACTED] or [REDACTED] as witnesses on the police report and further failed to contact the undersigned with information on how the witnesses can be contacted. In fact, [REDACTED] statement

supports a finding that [REDACTED] were not present during the battery committed against [REDACTED]. As such, the undersigned has determined that the actions of the accused officer, P.O. COTTON, were proper in that because the alleged witnesses were not present, they clearly should not have been included as witnesses to the battery. The undersigned has further determined that there does not exist a need to request a To/From Report or formal statement from P.O. COTTON.

[REDACTED] further alleges that he believes that [REDACTED] were not included on the case report because [REDACTED] and/or one of the individuals that attacked him had relatives that were police officers. When asked by the undersigned to substantiate his belief [REDACTED] related that he does not have a belief. Furthermore, [REDACTED] refused to provide any further information to support his allegation and failed to provide information on how possible witnesses may be contacted. As such, the undersigned has determined that there does not exist a need to request a To/From Report or formal statement from P.O. COTTON.

[REDACTED] alleges that the accused officer, Det. SPAGNOLA, failed to investigate the battery committed against [REDACTED]. The undersigned reviewed the Case Supplementary Report recorded under RD # [REDACTED] (Attachment #14). The Report indicates that this matter was assigned to Det. SPAGNOLA as a summary investigation and therefore was not investigated by field personnel. As such, and in accordance to Detective Division Special Order 97-07, when conducting a summary investigation, Det. SPAGNOLA is required to inform the victim, in the present case [REDACTED], on procedures to obtain a summons and complete a Case Supplementary Report (Attachment #15). The undersigned has determined that Det. SPAGNOLA acted properly under Detective Division Special Order 97-07. The undersigned has further determined that there does not exist a need to request a To/From Report or formal statement from Det. SPAGNOLA.

The undersigned received a To/From Report from the accused officer, Police Officer Michael D. CLIFTON #9584, assigned to the 005<sup>th</sup> District, in the Area 2 Summons/Warrant office. P.O. CLIFTON reported that he informed [REDACTED] that because of a lack of information as to whom the offender was that committed the battery against [REDACTED], P.O. CLIFTON was unable to assist [REDACTED]. P.O. CLIFTON further reported that on 26 October 2010, [REDACTED] returned and supplied P.O. CLIFTON with the name of Brendan SULLIVAN as an offender to his battery case report. As such, P.O. CLIFTON prepared a summons packet and presented it to the attending judge. P.O. CLIFTON further reported that according to his record sheet for 07-10 December 2010, [REDACTED] was mailed a court date for 17 December 2010 and that the mailing specifically occurred on 09 December 2010. P.O. CLIFTON could not recall if [REDACTED] called on numerous occasions regarding the court date. P.O. CLIFTON further reported that as warrant/summons officer, it is his responsibility to assist a citizen by preparing a packet to be presented to a judge for review. Once reviewed by the judge and if the warrant/summons is approved, then it is the responsibility of the Clerk of the Circuit Court of Cook County to mail the court date to the victim, using the victim's information obtained from the warrant/summons packet (Attachment #17).

The undersigned conducted an inquiry as to the duty status of Detective Paul M. SPAGNOLA and learned from Police Officer John CHIVE #3703, of Operations command that Detective SPAGNOLA retired from the Chicago Police Department on 15 April 2011, prior to the initiation of this complaint.

Based upon the allegations as presented by [REDACTED], the failure of [REDACTED] to contact the undersigned to provide the undersigned with further information regarding witness information, the failure of [REDACTED] witness to contact the undersigned and the lack of objective evidence to substantiate [REDACTED] allegation, this investigation is closed pursuant to the findings listed below.
